Information Session – Emera Brunswick Pipeline Project

The National Energy Board (NEB) will be holding an Information Session to assist landowners and members of the public who are interested in learning about the NEB and its hearing process. This session will also provide information and guidance about opportunities for public participation.

Some of the NEB processes to be presented include:

- Proposed Detailed Route of the Pipeline
- Appropriate Dispute Resolution Program
- Inspection and Compliance Verification
- Saint John River Wet Crossing
- Emergency Management Matters

Thursday, 20 September 2007

Presentation and question period from 7:00 p.m. – 9:00 pm

Saint John Trade and Convention Centre

One Market Square

Saint John, NB

- 30 -
